### **Mingalabah ( Burmese greeting)**

If you were associated with the school in 2018 you may remember we were part of an Asia Education Bridge program where I was partnered with a wonderful young teacher from Myanmar, Su Lae Nwaye, who teaches in a village school in Shan State. I was fortunate to be part of a reciprocal group visit to Myanmar where we stayed for three weeks and visited our four group schools across the country. The generosity and kindness which we received at all four schools and including the minister for Education, was almost overwhelming and extremely heartfelt.

Our contact is now extremely limited because the Generals( Army) have overthrown the democratically elected government which has only existed since 2015.

I am sharing this with you to highlight the struggle which the Burmese people are currently experiencing.

### **Meet The Teacher and Family Barbeque Evening—Tuesday 16<sup>th</sup> February**

The school's 'Meet the Teacher' evening is scheduled for Tuesday 16th February from 5.30pm.

The P&C have kindly offered to provide a barbeque where parents, teachers and children can enjoy a casual meal together. We are fortunate to have enough outdoor space to be able to socially distance.

Please note you will be required to sign in at the front of the school before entry as per DoE COVID restrictions.

Meet the Teacher arrangements are as follows:

5:30-6.00pm– Kindergarten, Year 1 and Year 2 to be held in their respective classrooms

6:00– 6:30pm– Years 3/4 and Years 4/5/6 also in their respective rooms.

The barbeque is being generously supplied by the P&C as a welcome gesture.

### **School Leader's Assembly**

It was lovely to see our students so well supported by their families. Watch out for photos next week.
